Dear Parents,

Welcome back to an action packed Term 3. The students all look revitalised, vibrant and ready to hop into the school routine.

Accompanying this newsletter is the School Community Survey. Please take the time to complete this survey as it will guide us in improving our home/school relationship. I have asked the teaching staff to record the families who have returned their completed survey. This is a Catholic Education initiative under the **Quality Catholic Schools Program**.

Thank you to all the wonderful helpers for our soon approaching Wakakirri Performance; only five weeks to go.

Great to be back & God bless,  
Drew Jago  
Principal
